Western Michigan Representatives for:

Compressor Wall Technology and Evolution series all-in-one solution for **indoor grow rooms**. GrowSentry™ Technology. Precise room control, reliability and energy efficiency for maximum ROI and Yield <https://agronomiciq.com/>

Energy efficient indoor **pool dehumidification**, Compressor Wall Technology, dry coolers www.serescodehumidifiers.com

Water-to-air, water-to-water, vertical stack, hybrid and 100% O/A **heat pump systems**. Heat pumps with dehumidification and energy recovery. Air cooled and water cooled rooftop heat pumps. Traditional air cooled RTU's. www.climatemaster.com

Cooling towers, closed circuit coolers, hybrid wet/dry coolers, dry coolers with optional adiabatic pre-cooling. Pulse~Pure® Chemical free and Smart Shield solid chemistry water treatment systems. Retrofit components for all towers. EvapTech field erected cooling towers. www.evapco.com

Noise & vibration control; silencers, sound enclosures, floating floor systems. HVAC, Industrial, environmental, architectural and interior acoustical products. www.kineticsnoise.com

Refrigerant and Desiccant dehumidifiers for agricultural, industrial, food and beverage, water treatment, and low dewpoint applications. www.questclimate.com

MeeFog™ high pressure atomization for **humidification**, cooling and special effects. High volume disinfectant sprayers. www.meefog.com

VersaFlow Automatic or Manual balancing hose kits for terminal units. Balancing valves and hydronic accessories. www.imiflowdesign.com

Liquid Filtration and separation systems. Pump packages and control panels www.puroflux.com
